## VBS (Vacation Bible School)

Reminder...

VBS (Vacation Bible School) is returning to Grandview on July 25-29<sup>th</sup> during the evening from **6:00-8:15** for children ages 4 through current 6<sup>th</sup> grade. Come join us at Galilee-By the-Sea.

Children will be divided into the tribes of Israel and each tribe will be able to visit the shops that would have been in a town where Jesus might have visited (such as carpentry, stone carving, jewelry, sandal maker, bakery and a fisherman's hut.) Children will learn to play games that would have been played at the seashore playground, and also attend Synagogue School with "Rabbi" Jeff Masterson. Registrations due by July 19<sup>th</sup>, so we can have enough materials and food for your children. If you have any questions please contact a coordinator below...

## Kimberly Center Cookies

"Thanks so much! I wanted to tell you a funny story about the cookies you brought over. I had a student who I needed to schedule for next year. We were walking to my office when he saw someone walking by eating one of your cookies. He stopped dead in his tracks and asked "Are there cookies again?" I told him there were and he was SO excited and said "Can I please get some before we go make my schedule?" It was cute - he was so appreciative. You would be surprised how those cookies really made the students day! Thank you again for all your help with everything this year!!"

## Congratulations Grandview...

### 2009-2010 HUG Awards

"We would like to nominate the Grandview Baptist Church for the HUG Award for this year. They truly have taken the Kimberly Center under their wing and helped with several of our events the last year and continue to ask the question, "How can we serve you?" Along with donating supplies all year long and exercise equipment for our PE department they spent an entire Sunday painting our hallways. Several of their members cooked and served food for our senior night supper and helped clean after the event was over. They have partnered with us in many different ways this year and we want to thank them for all of their support and effort."
